PLEASE READ THE FOLLOWING CAREFULLY:

Willamette United Football Club has a limited amount of funds for those families needing financial assistance for soccer fees. No financial assistance requests will be considered without a completed request form. The Club cannot guarantee your request for assistance. Forms must be turned into the Willamette United Football club office by the last day of open registration for the program for which financial assistance is being requested. The WUFC Financial Aid committee will review all applications and will notify you prior to the program start date.

The WUFC Financial Aid committee may request documentation supporting the applicant's current financial situation. This helps determine how to disburse the limited financial aid funds among multiple qualifying applicants.

The burden is on the applicant to show that he/she is in need of financial assistance. The application process is purely voluntary and the applicant is free to provide or not provide documentation supporting his/her claim for financial assistance.

The financial aid application process and all information provided to the WUFC Financial Aid committee will remain strictly confidential.

Those given a financial aid package will be expected to set up a payment plan for what they are able to pay and will be expected to volunteer to work for the club during the program season to repay the balance owed.

Volunteer hours are applied to your financial aid package at the rate of \$20 per hour. (Example: \$1,000 registration paid back at \$20.00 per hour; equals 50 hours of volunteer time.) Attached is a list of all activities, with approximate dates, from which you can choose your volunteer hours. You will receive a bill at the end of the program season for all volunteer hours not completed.
