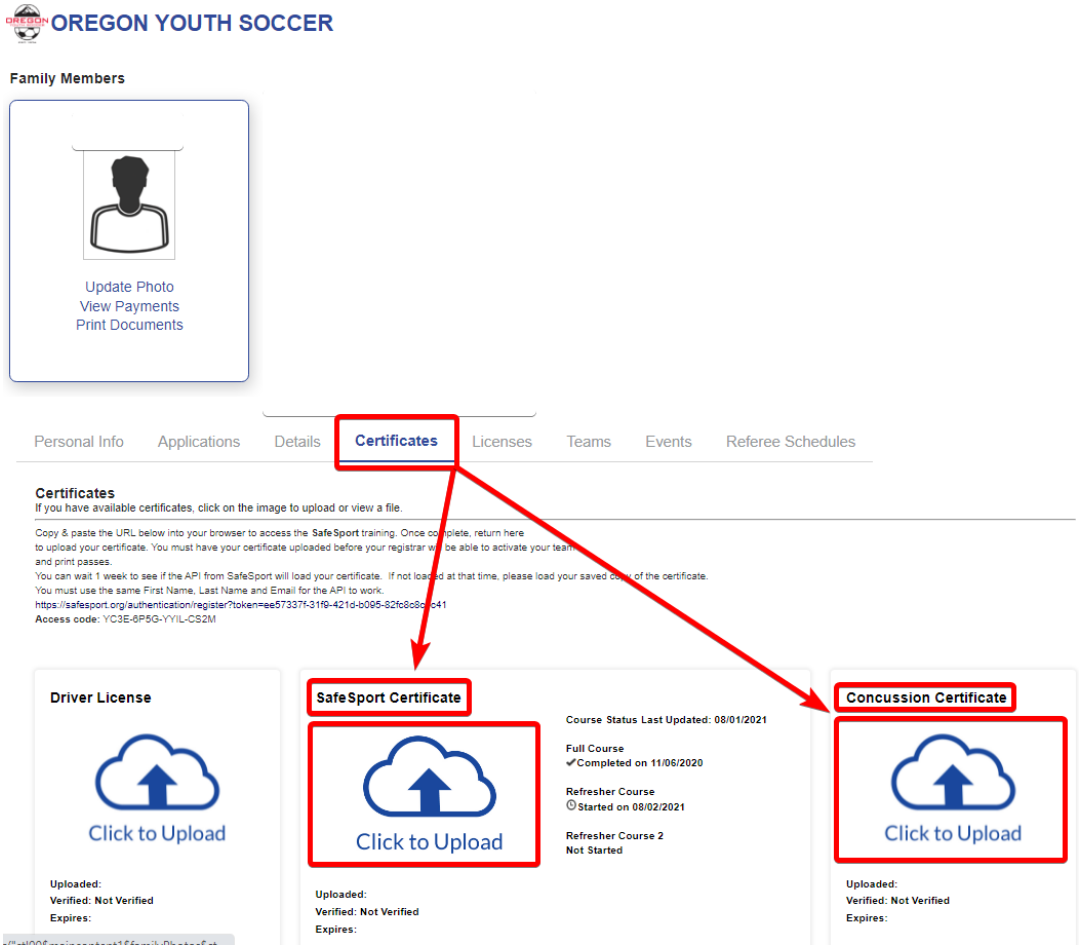
1. Login to your Affinity Profile using the same credentials you used to process your background check with.
    - If you don't remember your login information, please email ian@willametteunitedfc.com to see if he can reset your information for you.

2. Once you're logged in to your Affinity profile you need to upload a photo of yourself to use for your coaching card and both your SafeSport and Concussion Certificate.

    3. To add a photo to your profile to use for your coaching card, click the "Update Photo" button.


4. To add your SafeSport and Concussion certificates to your Affinity profile, select the "Certificates" button at the bottom menu. Then click the specific SafeSport and Concussion upload buttons.
