### Certificates

If you have available certificates, click on the image to upload or view a file

Copy & paste the URL below into your browser to access the **SafeSport training** once complete, return here to upload your certificate. You must have your certificate uploaded before your registrar will be able to activate your team and print passes.  
You can wait 1 week to see if the API from SafeSport will load your certificate. If not loaded at that time, please load your saved copy of the certificate.  
You must use the same First Name, Last Name and Email for the API to work.
